

An Evening of Sacred Music

Thursday 23rd February 2012

An evening that brings together two award-winning international musicians, Ustād Harbhajan Singh (winner of Sangeet Natak Academy Award 2010) and Ustād Sukhvinder Singh Namdhari (featured on the Grammy Award winning CD "A Meeting by the River" in 1994).

Together these musicians will share an evening of Sacred Music that is rooted in the Classical Rāgs associated with Gurbani Sangeet. Adding an additional flavour will be Kirpal Singh on Ter Shennai, a bowed instrument rarely heard in Yorkshire.
